Background chatter *** Hanzo, say hello to the nice people out there. Hey. You guys from Chicago?
Hello, Chicago. Chicago. I get some good tape to watch when I'm alone. My home in Chicago. Are
you setting down the internet? No. It stays in my house. I don't want to show all this good stuff to
other people. If it's bad enough, you show everyone here. Get it for yourself, Nick. *** Background
