Okay guys, now I'll show you when he shoots a single leg. And this time I'm gonna pull guard, okay? Close my guard, okay? You know I shoot, it's a perfect shoot. I'm right here, remember, I'm gonna be heavy. I'm gonna push his head away and I'm gonna put my hand right here, look. When I put my hand on his neck, guys, I close everything. Okay, I put pressure, okay? This arm right here, I'm gonna lock. When I start to put pressure right here, guys, he's gonna try to get off my leg. What I'm gonna do, I'm gonna put to the side and I'm gonna sit on this way. Lock, finish right here, okay? I shoot. My hand right here, have, push away. Grab, lock, side, sit, and finish right here, okay? On this angle now, shoot, away, lock. Lock my hands right here. My foot, when I put pressure on his neck, he's gonna let it go. Outside, sit, and finish. Look, guys, same thing. When you're gonna finish, you don't want extend, okay? You want right here and close. He's gonna move fast, okay? Shoot, I'm right here. Really important, first, guys, have a good base on single leg for he don't take you down. You're gonna put your chest to his back right here. You're gonna push his head away. Push, push, now drive, boom, your hand. Lock right here. Guys, don't put pressure on his chin, okay? Don't try like choke his chin, then put pressure right here. You're gonna want, you want his neck, okay? You shoot, boom, have, away, go, okay? Lock my hands, put my leg to the side, push, and finish. His hand right here, shoot, boom. Oh, hand right here, push away. Now, slide your hand and go away, okay? Now, lock, put your leg to the outside, and drive. Now, remember, close your body, and finish, okay? Nice, man. Good detail right here when the guy shoot the single leg. Why I don't, I'm wet right here, why I don't get right here? You know, like, it's more fast, but the thing is, when he's close, and I go take his neck, he's gonna try duck under, over my armpit, because he's already, I'm right here, look. He's try, put the head to his outside, look under.
