Okay, now I'm going to explain in different angle. We're going to tell you guys the step. Step one, two, and three, okay? So step one, I'm going to unlock the closed guard, okay? I'm going to open the guard. I'm going to have my knee, I'm going to open the guard. As soon as the leg is open, step two is getting the knee slide position. Step three is getting control, okay? And pass, I'm going to walk towards the hips, open the hips and the hips. When the leg starts to raise in the ring, I stabilize the pass. So once again, guys, try to maintain simple, okay? But don't skip important details, okay? So step one, two, three, four, five, six, seven, eight, nine, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 50, 50, 50, 50, 50.
